

The sole purpose (the “Purpose”) of this website is to provide information on the initial offering of tokens (“Tokens”) in relation to the Metarex project (as described herein).

Before purchasing Tokens, potential purchasers are strongly advised to take professional advice. No representation or warranty is given as to the information contained in the website, and no reliance should be placed upon such information.

Token sales are typically a highly speculative form of investment. Investors should be prepared for the possibility of losing their investment completely. Investment in token sales or coin offerings is not subject to existing capital market regulations and protections. Potential purchasers should be aware that no established market exists for the trading of the Tokens.

The website and its contents do not, and are not intended to, constitute, or form any part of, an offer for sale, prospectus or invitation to subscribe for or purchase Tokens, nor shall the fact of its distribution, form the basis of or be relied upon in connection with any contract or commitment to acquire any such Tokens.

The website is not a recommendation to purchase Tokens and neither the website nor its contents constitute “investment advice” for any purpose.

Statements contained in the website may constitute “forward-looking statements”. Forward-looking statements are generally identifiable by the use of the words “may”, “will”, “aim”, “should”, “plan”, “expect”, “secure”, “estimate”, “believe”, “intend”, “project”, “goal” or “target” or the negative of these words or other variations on these words or comparable terminology.

Forward-looking statements are based on current expectations and involve a number of known and unknown risks, uncertainties and other factors that could cause the Tokens’ actual performance to be materially different from any future performance expressed or implied by such forward-looking statements.

You should not place undue reliance on forward-looking statements and no undertaking is given to publicly update or revise any forward-looking statements that may be made herein, whether as a result of new information, future events or otherwise.
